### Summary of reasons for decision:

i1atk40a4k\_2 is an image of two boys engaged in a sexual act. The publication is deemed objectionable because it promotes and supports the exploitation of children for sexual purposes. The image presents children as sexually active and aware, and can only be for the titillation and arousal of those with a prurient interest in young boys. Its availability legitimises and encourages such an interest. As a digital image the publication can be shared widely among like-minded individuals. This classification is contrary to the right to freedom of expression under the New Zealand Bill of Rights Act 1990 but is consistent with Parliament's clear intention that publications that fall under s 3(2) of the FVPC Act are deemed objectionable.
